April 6th, 2020

Dear East Bay Athletic League Community,

There was a conference call this morning with the EBAL Board of Governors and athletic directors to discuss the current COVID-19 situation. The East Bay Athletic League has canceled all EBAL spring competitions. Our hearts go out to all of the student athletes and coaches who will not be able to compete this spring, especially the senior student athletes. For any questions please contact your school directly.

Sincerely,

Leo Lopoz

East Bay Athletic League
