Dear East Bay Athletic League Community,

The EBAL Board of Governors (BOG) and athletic directors met to discuss the current possibility of no contests that may take place. In the situation where a school is not able to complete their EBAL league schedule (due to COVID and AQI situations). Case by case situations may be reviewed by the EBAL BOG.

The following criteria will be used to determine league standings:

1. A minimum 75% of EBAL contests played
2. Head to head record
3. Winning % in EBAL league scheduled games
4. EBAL tie-breakers

For any questions please contact your school directly.

Sincerely,

Leo Lopo
